

RoHS Declaration

Issued 1 June 2021

RoHS Declaration of Conformity

Kemo Limited declare that all its products manufactured at its facility in Dartford, UK conform to the Restriction of the Use of Certain Hazardous Substances (RoHS) in Electrical and Electronic Equipment (EEE) Directive (2011/65/EU) which was transposed into UK law on 2 January 2013.

RoHS updates under Directive (2011/65/EU) and Directive (2015/863/EU) are also complied with other than where the relevant exemptions Category 9 and 11 industrial monitoring & control instruments currently effective until 21 July 2024.

This Compliance is claimed by exemptions in place at the time of this statement and by examination of the product in relation to its construction and the materials used.
